2017 Hardly Trivial Sponsorships

Sponsors are being sought for the 2017 Hardly Trivial Tournament.

This tournament provides the opportunity for many of Morgan County's philanthropic groups to earn funds toward their charitable causes.

If you are interested in any of the following sponsorships, please contact the CFMC office to make a commitment before Friday, March 17.

- **One \$1000 Tournament Sponsor**

- The tournament sponsor will receive credit in pre-tournament publicity, on tournament publications and on the slides throughout the evening.

- **Ten \$200 Trivia Round Sponsors**

- Round Sponsors receive credit in tournament publications and on 10 question slides of their sponsored trivia category.
- Sponsors will have input on their sponsored category (examples: a company that was founded in the 1930s might sponsor 1930s trivia; a business that provides service quotes might sponsor a "quotable quotes" category; a veteran-owned business may wish to sponsor questions regarding the military, etc.).
- Businesses may sponsor more than one 10-question category.
