# Celebrating 10 Years of Service

## 2010 Report to the Community

---

# Thoughts From the Board of Directors President

---

Dale DePoy  
President of the  
Board of Directors

The year 2010 was a successful and productive time for the Community Foundation of Morgan County.

We were privileged to continue to assist the Kendrick Foundation by acting as their staff, helping to distribute over \$2 million in grants and scholarships between both foundations.

The Community Foundation awarded \$33,883 in Matching and Arts grants for 2010, funding projects from restoration of windows in historic buildings to watercolor workshops at the public library.

Thanks to a generous gift from the estate

of Dorothy Asher; the new Dorothy Asher Scholarship and Newburn-Asher Scholarship doubled the size of our scholarship awards to \$77,901. We have more applicants than ever before, and many scholars are adults returning to school for a career change. We are thankful to the donors of our scholarship funds who have made it possible for us to help students more than ever before.

In June, the community foundation hosted a Flood Recovery Celebration Banquet. The event remembered the devastating 2008 floods in our county, but more than that, honored the tireless efforts of the Morgan County Long Term Recovery Committee. The Committee assisted families affected by the floods for nearly two years, working on 410 cases with the help of volunteers. A total of \$1.4 million in assistance was filtered through the community foundation for this effort. An

estimated 40,000 volunteer hours were logged to rebuild homes and lives.

This year was also a time to reflect on our past. In 2000, the Mooresville Community Foundation and the Morgan County Community Foundation merged, creating the Community Foundation of Morgan County we know today. In honor of our 10th year, we held a 10th Anniversary Gala at the Art Sanctuary in Martinsville. Current and former board members, committee members, donors, and friends joined us in a celebration of how far we've come in the past decade.

Thank you for your role in helping the Community Foundation of Morgan County become a success.

## From the Executive Director

---

Tom Zoss  
Executive Director

From my perspective the most interesting aspects of 2009 involved dedicated people in Morgan County who donated their time and enthusiasm to help their neighbors and friends.

The Community Foundation is in a unique position to see many activities in the community that are not apparent to others, and it is inspiring as we are contacted and asked to help good people doing good things. Sometimes we can help with a grant or scholarship. Other times we help by establishing a new fund so a group or non-profit organization can jumpstart their activity.

I have a wonderful staff that enthusiastically works to help people. I often hear reports from those who have called or visited and feel they have had a respectful and helpful response. We are a charity and, while we handle and invest several million dollars, most of what we manage is restricted as to use.

That means our operating funds are very limited, especially in a tight economy. We are now in a period where the staff receives no raises, and as a small non-profit we cannot afford group medical insurance. Working for the community in these times means a second level of dedication and sacrifice and for this our staff deserves a lot of credit.

So as the demands upon the Community Foundation of Morgan County increase, the needy in Morgan County require

more assistance, and as donations to restricted funds increase, we are hard pressed to cover the operating expenses to do this work.

I thank you for your support this year and ask that you consider additional assistance to the operating side of our work in the coming year. Please help us continue to grow and offer the professional quality of service that is our standard.

Sincerely yours,

Thomas Zoss  
CFMC Executive Director

# Grants Provide Endless Service Possibilities

In 2010, the Community Foundation of Morgan County awarded \$33,883 in matching and arts grants to Morgan County non-profit organizations.

Each fall, the CFMC offers matching grants and arts grants. Matching grants require that the grant applicant must raise an amount at least equal to what they ask for on the application. Arts grants require no matching funds. Grants are provided through the CFMC's CommonWealth fund.

The foundation aims to support creative approaches to community needs and problems by making grants which benefit a wide range of people.
