2019 IMPACT REPORT

COMMUNITY
FOUNDATION OF
MORGAN COUNTY

Dear Friends,

When I used to hear the phrase “time flies”, I never quite understood just how fast time does pass us all by and 2019 was a perfect example of that experience. In any given year, CFMC works with our fund holders, those donors supporting their great work, awarding scholarships and partnering with organizations and people of good will throughout the county to improve the quality of life for our Morgan County community.

This year, we decided to go above and beyond our normal business plans and take on the role of becoming a community development leader. Some may say that CFMC has always been a leader in connecting our community to promote needed services. We would agree. However, now CFMC is interested in doing that throughout the entire county.

We have spent the summer going to festivals, parades and community gatherings in support of our community survey. It was our hope to hear from you about what are the most important areas CFMC can help to support to improve our county. And, as you might expect, we heard you loud and clear.

Thanks to the Lilly Endowment, we are excited to roll out our community development survey feedback in 2020. We asked for your voice and you provided it to us!

As we look into the next year and beyond, community development will be at the heart of CFMC’s Impact grants and work with our partners. We are excited about the future and even more pleased to be doing this together – with you.

It is only through your support that CFMC can make the difference that we are so proud to do on your behalf. Let us continue to give local and be intentional about making a difference.

Best,

Ed Kominowski, President

TO OUR COMMUNITY PARTNERS

On behalf of the Board of Directors of CFMC, we would like to thank all our donors, community partners, and fund-holders for their investment in Morgan County. The Community Foundation serves a unique role in our community and in order to make an impact it takes all of us working together for a common goal. We are making successful strides in addressing the socioeconomics of our community and we are fortunate to be able to continue our good work.

We continue to steward the many gifts entrusted to CFMC and view our role of fiscal responsibility as a very important one. As we focus on three crisis areas, we are thankful to partner with our community to address K-12 mental health, K-12 career pathways, and rural access to healthcare. As the chair of the Board of Directors, we look forward to the impact we can make for current and future generations. Thank you for your continued support.

Sincerely,
Keith Lindauer
CFMC Board Chair

Community Service Center of Morgan County dba WellSpring - Changing the Question - \$5,547

Our Changing the Question initiative will address adverse childhood experiences of children living in poverty in Morgan County. It will aide in creating a caring and nurturing environment where healing can begin.

Indiana University Health Morgan - Healthy Food Pantry Collaboration - \$3,333

(Not completed due to COVID)

We will provide plant-based diet options, cooking tools, and education to food pantry participation on a monthly basis. We will also provide training to the food pantry staff and volunteers so that they can reinforce this important lifestyle dietary change.

Gleaners Food Bank of Indiana - Bulldog Blessings Food Pantry at Monrovia High School - \$4,000

The Bulldog Blessings Pantry helps food insecure students and families by providing healthy produce and meal items that can be taken home and prepared independently. This site is a convenient location for community members to receive a reliable source of food each month to alleviate the symptoms of poverty.

Indiana University Health Morgan - Community Health Bus - \$9,115

(Not completed due to COVID)

The IU Health Mobile Health Bus will be located at Hoosier Harvest Church once a month for a 4 hour time period for a duration of 6 months. A Licensed Nurse Practitioner will provide free care clinics for routine care with the assistance of other health professionals.

2019 CAPACITY GRANTS

Total \$14,050

MSD of Martinsville/ Smith Fine Arts Academy - \$2,476

Our sound equipment is old and outdated (>20 years old). We are actively searching for grants and donations to provide newer equipment (wireless microphones, body packs, receivers, monitors, and speakers) to improve the quality of our fine arts productions.

IU Health Morgan - \$624

Free smoking cessation program running 1 time per week for 6 weeks. At the end of each session attended participants will receive 1 week of nicotine replacement product to help them be successful in their efforts to stop smoking.

Cornerstone Robotics (Team G.E.A.R.S.) - \$2,500

Cornerstone Robotics exposes students to science and technology by teaching engineering principles, programming skills, problem solving principles, teamwork, and how to compete in an honorable manner. They learn by designing and building a robot from scratch each year so they can compete with high schools all over Indiana.

Artesian Little League, Inc. - \$2,450

The Martinsville community has a mean income that is considered below average. As a result, many families are hard-pressed to afford access to outside sports programs. To accommodate these families, Artesian Little League absorbs this cost. This grant will help us meet our budget shortfall of over \$5000.

Jackson Center for Conductive Education - \$1,500

The Jackson Center for Conductive Education is requesting \$1500 in funding toward a redesign of our existing website. The purpose of the redesign is to create more efficient processes for staff and eliminate costs associated with our current website.

Martinsville Youth Development Center - \$2,000

Shelby will obtain leadership skills which will better help the success of the Martinsville Youth Development Center.

Churches in Mission - \$2,500

To improve Churches in Mission (CIM) bookkeeping and financial reporting to its board of directors, CIM will contract with Beverly Jenkins, bookkeeper, to (1) set up customized financial reports in Quick Books and (2) write bookkeeping policies and procedures. In addition, the current treasurer will receive training in QuickBooks.

2019 LILLY ENDOWMENT *FINALISTS & SCHOLARS*

Every year CFMC is pleased to be able to share the generosity of the Lilly Endowment's Scholarship program with Morgan County. Through the Lilly Scholarship, two well-deserving students receive a four-year, full-tuition scholarship to any Indiana college or university of their choice. This scholarship not only transforms the life of each student but also their family by making dreams possible. Our finalists are amazing and talented young people. It's a pleasure for CFMC to meet our Lilly Scholars and see the leaders of tomorrow right here in our community.
